

Our Mission

Jackson Right to Life, formerly Jackson Citizen's for Life, was incorporated in 1975 in response to the 1973 Supreme Court Decision legalizing abortion in the U.S. We strive to protect human life from conception to natural death by legal means of advocacy and education. We are a non-sectarian, non-partisan organization affiliated with Right to Life of Michigan. With over 1000 active local members, we work to make abortion unthinkable and encourage respect for all life.
